

SOMEONE YOU LOVED

(Group three) I'm going under and this time I fear there's no one to save me
This all or nothing really got a way of driving me crazy

(All parts) I need somebody to heal
Somebody to know
Somebody to have
Somebody to hold
It's easy to say
But it's never the same

(Group two) I guess I kinda liked the way you numbed all the pain

(All parts) Now the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved

(Group three) I'm going under and this time I fear there's no one to turn to
This all or nothing way of lovin' got me sleeping without you

(All parts) Now, I need somebody to know
Somebody to heal
Somebody to have
Just to know how it feels
It's easy to say
But it's never the same

(Group two) I guess I kinda liked the way you helped me escape

(All parts) Now the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved

(Group one) And I tend to close my eyes when it hurts sometimes
I fall into your arms
I'll be safe in your sound till I come back around

(Group one) For now the day bleeds
Into nightfall
And you're not here
To get me through it all
(Group three) I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved

(All parts) But now the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved

Unison

(All parts) I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved
