FIX YOU

(Group One) When you try your best, but you don't succeed
When you get what you want, but not what you need
When you feel so tired, but you can't sleep

(All parts) Stuck in reverse

(Group One) And the tears come streaming down your face
When you lose something you can't replace

(All parts) When you love someone, but it goes to waste
Could it be worse?

(All parts) Lights will guide you home
And ignite your bones
And I will try to fix you

Ba, ba, ba x7

(Group One) And high up above or down below
When you're too in love to let it go

(All parts) But if you never try you'll never know
Just what you're worth

(All parts) Lights will guide you home
And ignite your bones
And I will try to fix you

Instrumental

(All parts) Tears stream down your face
When you lose something you cannot replace
Tears stream down your face and I

Tears stream down your face
I promise you I will learn from my mistakes
Tears stream down your face and I

(Group One) Lights will guide you home
And ignite your bones
And I will try to fix you
