

FLASHLIGHT

(Group one & two) When tomorrow comes

I'll be on my own

Feeling frightened of

The things that I don't know

When tomorrow comes

When tomorrow comes

(All parts) When tomorrow comes

(Group one & two) And though the road is long (aahh)

I look up to the sky

And in the dark I found, lost hope that I won't fly (aahh)

And I sing along, I sing along, **and I sing along**

(All parts) I got all I need when I got you and I

I look around me and see a sweet life

Stuck in the dark but you're my flashlight

You're getting me, getting me, through the night

Kickstart my heart when you shine it in my eyes

Can't lie, it's a sweet life

Stuck in the dark but you're my flashlight

You're getting me, getting me, through the night

(Group one and two) 'Cause you're my flashlight (flashlight)

You're my flashlight (flashlight), you're my flashlight

(Group one and two) I see the shadows long beneath the mountain top

I'm not afraid when the rain won't stop

'Cause you light the way

You light the way,

(All parts) You light the way

(All parts) I got all I need when I got you and I
I look around me, and see a sweet life
Stuck in the dark but you're my flashlight
You're getting me, getting me, through the night
Kickstart my heart when you shine it in my eyes
Can't lie, it's a sweet life
Stuck in the dark but you're my flashlight
You're getting me, getting me, through the night

(Group one and two) Light light, you're my flashlight (light), light (light) light
(light) you're my flashlight (light) light (light) light (light) you're my
flashlight light...

(Group three) **Cause you're my flashlight, you're my flashlight, you're
my flashlight...**

(All parts) I got all I need when I got you and I
I look around me, and see a sweet life
Stuck in the dark but you're my flashlight
You're getting me, getting me, through the night
Kickstart my heart when you shine it in my eyes
Can't lie, it's a sweet life
Stuck in the dark but you're my flashlight
You're getting me, getting me through the night
'Cause you're my flashlight
