

WITH A LITTLE HELP FROM MY FRIENDS

(Group three) What would you think if I sang out of tune?  
Would you stand up and walk out on me

(Group two & three) Lend me your ears and I'll sing you a song  
And I'll try not to sing out of key

(All parts) Oh, I get by with a little help from my friends  
Mm, I get high with a little help from my friends  
Mm, gonna try with a little help from my friends

(All parts) What do I do when my love is away?  
Does it worry you to be alone?  
How do I feel by the end of the day?  
Are you sad because you're on your own?

No, I get by with a little help from my friends  
Mm, I get high with a little help from my friends  
Mm, gonna try with a little help from my friends

(Group one & two) Do you need anybody?

(Group three) I need somebody to love

(Group one & two) Could it be anybody?

(Group three) I want somebody to love

(Group one) Would you believe in-a-love at first sight?

Yes, I'm certain that it happens all the time

What do you see when you turn out the light?

I can't tell you, but I know it's mine

(All parts) Oh, I get by with a little help from my friends

Mm, I get high with a little help from my friends

Oh, gonna try with a little help from my friends

(Group one & two) Do you need anybody?

(Group three) I just need someone to love

(Group one & two) Could it be anybody?

(Group three) I want somebody to love

(All parts) Oh, I get by with a little help from my friends

Mm, gonna try with a little help from my friends

Oh, I get high with a little help from my friends

Yes, (Group one) I get by with a little help from my friends

With a little help from my friends...

(Group two & three) ah ah ah ah, ah ah ah ah ah...
