To a place like no other we've known

To forget all the hurt we can hide

It gives us a strength and a guide  
As we paraglide through its wonder

Building friendships for years to come (ah ah ah ah ah ah ah)  
Immersed in its wondrous sound (It's wondrous sound)  
With harmonies **so profound**

The sheer sense of happiness the feeling of pride

what we see on the news  
Is that all we are... ?
