

LES MISÉRABLES MEDLEY

(At the end of the day)

Ah - - Ah - Ah'Ah

At the end of the day you're another
day older

And that's all you can say for the life
of the poor

It's a struggle, it's a war, and there's
nothing that

anyone's giving, one more day
standing about,

what is it for? One day less to be
living!

At the end of the day you're another
day colder

And the shirt on your back doesn't
keep out the chill

And the righteous hurry past, they
don't hear the

little ones crying, and the winter's
coming on fast,

ready to kill. One day nearer to
dying!

At the end of the day there's another
day dawning

And the sun in the morning is waiting
to rise

Like the waves crash on the sand, like
a storm that'll

break any second, there's a hunger in
the land

there's a reckoning still to be reckoned
It's us who'll have to pay, at the end
of the day.

(I dreamed a dream)

There was a time when men were kind
When their voices were soft, and their
words inviting

There was a time when love was blind
And the world was a song, and the
song was exciting

There was a time, then it all went
wrong

I dreamed a dream in time gone by
When hope was high and life worth
living

I dreamed that love would never die
I dreamed that God would be forgiving

But the tigers come at night, but
the tigers come at night
With their voices soft as thunder

As they tear your hope apart
As they tear your dream to shame

He slept a summer by my side
He filled my days with endless
wonder

He took my childhood in his stride
But he was gone when autumn
came, Ah- - ,Oh

And still I dreamed he'd come to
me

That we would live the years
together

But there are dreams that cannot
be...

And there are storms we cannot
weather

I had a dream my life would be

So diff'rent from this hell I'm living
So diff'rent now from what it
seemed
Now life has killed the dream I
dreamed

(Castle on a cloud)
There is a castle on a cloud
I like to go there in my sleep
Aren't any floors for me to sweep
Not in my castle on a cloud

There is a room that's full of toys
There are a hundred boys and girls
Nobody shouts or talks too loud
Not in my castle on a cloud

There is a lady all in white
Holds me and sings a lullaby
She's nice to see and she's soft to
touch
She says Cosette I love you very
much

I know a place where no-one's lost
I know a place where no-one cries
Crying at all is not aloud
Not in my castle on the cloud

(Do you hear the people sing?)
Do you hear the people sing,
Singing the song of angry men
It is the music of a people who will not be
slaves again!
When the beating of your heart echoes
the beating of the drums
There is a life about to start when
tomorrow comes.

Will you join in our crusade?
Who will be strong and stand with me?

Beyond the barricade is there a world you long to
see?
Then join in the fight that will give you the right to
be free

Do you hear the people sing,
Singing the song of angry men
It is the music of a people who will not be slaves
again!
When the beating of your heart echoes the
beating of the drums
There is a life about to start when tomorrow
comes.

(On my own)
On my own pretending he's beside me
All alone I walk with him till morning
Without him I feel his arms around me
And when I lose my way I close my eyes and he
has found me
In the rain the pavement shines like silver
All the lights are misty in the river
In the darkness the trees are full of starlight
And all I see is him and me forever and for ever

And I know it's only in my mind
That I'm talking to myself and not to him
And although I know that he is blind
Still I say Still I say there's a way for us
(Ah)I love him but every day I'm learning
All my life I've only been pretending
Without me his world will go on turning
The world is full of happiness that I have
never known
(oo) I love him. I love him, I love him, but
only on my own.
(Bring him home)
God on high God on high Hear my
prayer
In my need In my need you have always
been there
You can take You can take You can give
Let him be Let him be Let him live

If I die If I die Let me die Let me die
Let him live
Bring him home (x3)
(Finale)
On this page I write my last confession

Read it well when I at last am sleeping
It's a story of those who always loved
you
Your mother gave her life for you
Then gave you to my keeping

Come with me where chains will never
bind you
All your grief at last, at last behind you
Lord in Heaven look down on him in
mercy
Forgive me all my trespasses and take
me to your glory
Take my hand and lead me to salvation
Take my love for love is everlasting
And remember the truth that once was
spoken
To love another person is to see the
face of God

Do you hear the people sing?
Lost in the valley of the night?
It is the music of a people
who are climbing to the light

For the wretched of the earth
There is a flame that never dies
Even the darkest night will end and
the sun will rise

They will live again in freedom
In the garden of the Lord

They will walk behind the ploughshare
They will put away the sword
The chain will be broken
and all men will have their reward

Will you join in our crusade?
Who will be strong and stand with me?
Somewhere beyond the barricade
Is there a world you long to see?
Do you hear the people sing?
Say do you hear the distant drums?
It is the future that they bring when
tomorrow comes.

Will you join in our crusade?
Who will be strong and stand with me?
Somewhere beyond the barricade
Is there a world you long to see?
Do you hear the people sing?
Say do you hear the distant drums?
It is the future that they bring when
tomorrow comes.
Ah - - , tomorrow comes.
