

JERSEY BOYS MEDLEY

Who loves you, pretty baby?
Who's gonna help you through the night?

Oh, what a night

Oh what a night, late December back in sixty-three
What a very special time for me, as I remember what a night
Oh I, I got a funny feeling when she walked... in the room
Yeah my, as I recall it ended much too soon... Oh what a night!
Hypnotising, mesmerising me, she was everything he'd dreamed she'd be
Sweet surrender, what a night!..... Oh what a night!

Working my way back to you

Working my way back to you babe, with a burnin' love inside
Yeah i'm working my way back to you babe, and the happiness that died
I let it (get away)
Doo doo doo, doo doo doo (been paying' every day), doo doo doo, doo doo doo
When you were so in love with me, I played around like I was free
Thought I could have my cake, and eat it too
But how I cried over losing you
See i'm down and out, but I ain't about to go livin' my life without you
For everyday, I made you cry, I'm payin' girl, til the day that I die
I'll keep working my way back to you babe, with a burnin' love inside
Yeah i'm working my way back to you, babe, and the happiness that died
I let it (get away)
Doo doo doo, doo doo doo (been paying' every day), doo doo doo, doo doo doo

Stay

(Stay stay, stay) Oh,
just a little bit longer (Stay stay, stay)
(Stay stay stay) Please please please please please tell me that you're gonna
(stay stay, stay)

Now your daddy don't mind (stay stay, stay)
and your momma don't mind (Stay stay, stay)
Could we have (stay stay, stay) another dance, dear, just one more
One more time, oh won't you stay (stay stay, stay), just a little bit longer
(Stay stay, stay) Please please please please please tell me that you're gonna
Stay!

Can't take my eyes off of you

You're just too good to be true, can't take my eyes off of you
You'd be like heaven to touch, I wanna hold you so much
At long last love has arrived, And I thank God i'm alive
You're just too good to be true, can't take my eyes off of you

Dah dup, dah dup, dah dah dup, dah dah dah dup, dah dup, dah....
I love you baby and if it's quite alright
I need you baby, to warm the lonely night, I love you baby
Trust in me when I say...
Oh pretty baby, don't bring me down I pray, Oh pretty baby
Now that I've found you stay, and let me love you baby, let me love you...
You're just too good to be true
