

COME WHAT MAY

(Tenor) Never knew I could feel like this
Like i've never seen the sky before

(Soprano & Alto) Want to vanish inside your kiss
Everyday I love you more and more

(All parts) Listen to my heart can you hear it sing
And telling me to give you everything
Seasons may change, winter to spring
But I love you, until the end of time

(Tenor) Come what may (come what may)
Come what may (come what may)

(All parts) I will love you, until my dying day

(Soprano and alto) Suddenly the world seems such a perfect place
Suddenly it moves with such a perfect grace

(Tenor) Suddenly my life doesn't seem such a waste
(All parts) It all revolves around you

(All parts) And there's no mountain too high, no river too wide
Sing out this song and i'll be there by your side
Storm clouds may gather and stars may collide

(Soprano and alto) But I love you (I love you) until the end (until the end of) of
time

(All parts) Come what may, come what may
I will love you

(Soprano & Alto) Suddenly the world seems such a perfect place

(Tenor) Come what may (come what may)

(All parts) Come what may
I will love you, until my dying day
Come what may!
