GREEN GREEN GRASS

(Tenor) Well she moves like lightning
And she counts to three
And she turns out all the lights
And says she's coming for me
Now put your hands up
This is a heist
And there's no one in here living
Gonna make it out alive

Load it up (Alto) when the sun comes down
Getaway car for two young lovers
Me and the girl straight out of town
Over the hills and undercover
Undercover, undercover

(All parts) She said... Green green grass, blue blue sky
You better throw a party on the day that I die
Green green grass, blue blue sky
You better throw a party on the day that I die

(Soprano) We go together, Adam and Eve
But the girl is so much more than just another apple thief
Yeah, she's a genius, watch and learn
How she sets the world on fire just to watch the sucker burn

Load it up (Alto) when the sun comes down

Getaway car for two young lovers
Me and the girl straight out of town
Over the hills and undercover
Undercover, undercover

(All parts) She said... Green green grass, blue blue sky
You better throw a party on the day that I die
Green green grass, blue blue sky
You better throw a party on the day that I die

(All parts) Throw a party, throw a party yeah
Throw a party, on the day that I die
Throw a party, throw a party babe
Throw a party, on the day that I die

Load it up (Alto) when the sun comes down
Getaway car for two young lovers
Me and the girl straight out of town
Over the hills and undercover
Undercover, undercover

(All parts) She said...Green green grass, blue blue sky
You better throw a party on the day that I die
Green green grass, blue blue sky
You better throw a party on the day that I die
(Alto and Tenor) Green green grass, blue blue sky (Throw a party,
throw a party, yeah)
You better throw a party on the day that I die (Throw a party, on
the day that I die)
Green green grass, blue blue sky (Throw a party, throw a party,
babe)
You better throw a party **on the day that I die** (Throw a
party, **on the day that I die**)
