

YOU'VE GOT A FRIEND

When you're down and troubled
And you need some loving care
And nothin', nothin' is goin' right
Close your eyes and think of me
And soon I will be there
To brighten up even your
darkest night

You just call out my name
And you know wherever I am
I'll come runnin' to see you
again
Winter, spring, summer or fall
All you have to do is call
And I'll be there
You've got a friend

If the sky above you
Grows dark and full of clouds
And that ol' north wind begins to
blow
Keep your head together
And call my name out loud
Soon you'll hear me knockin' at
your door

You just call out my name
And you know wherever I am

I'll come runnin' to see you
again
Winter, spring, summer or fall
All you have to do is call
And I'll be there

Ain't it good to know that you've
got a friend
When people can be so cold
They'll hurt you, yes, and desert
you
And take your soul if you let
them
Oh, but don't you let them

You just call out my name
And you know wherever I am
I'll come runnin' to see you
again
Winter, spring, summer or fall
All you have to do is call
And I'll be there
You've got a friend
