

Wicked Medley

(Sop & Alto) No one mourns the wicked
(Tenor) No one cries "They won't return"
(All parts) No one lays a lily on their grave
(Sop and Alto) The good man scorns the wicked
(T: the good man scorns the wicked)
Through their lives, (All parts) our children learn
What we miss when we misbehave

(All parts) And goodness knows the wicked's lives are lonely
Goodness knows, the wicked die alone
It just shows; when you're wicked, you're left only on your own
Yes, goodness knows, we know what goodness is!
Goodness knows, the wicked die alone
(Tenor) Woe to those (S&A: woe to those)
(All parts) Who spurn what goodnesses, they are shown
No one mourns the wicked!
No one mourns the wicked!
No one mourns the wicked! Wicked! Wicked!

(All parts) When I meet the Wizard; once I've proved my worth
And then I meet the Wizard, what I've wait for since birth
And with all his Wizard wisdom, by my looks he won't be blinded
(Tenor) Do you think the Wizard is dumb?
(Sop & Alto) Or like Munchkins so small minded? No!
(All parts) He'll say to me "I see who you truly are, the one on whom I can
rely!" and that's how we'll begin, the Wizard and I
(Sop & Alto) Once I'm with the Wizard (T: Once I'm with the Wizard)
My whole life will change (my whole life will change)
(All parts) 'Cause once you're with the Wizard, no one thinks you're strange
No father is not proud of you, no sister acts ashamed
And all of Oz has to love you, when by the Wizard, you're acclaimed.
And this gift or this curse I have inside, maybe at last I'll know why
As we work hand in hand, the Wizard and I!

And I'll stand there with the Wizard, feeling things I've never felt
And thought I'd never show it, I'll be so happy, I could melt!
And so it will be for the rest of my life, and I'll want nothing else 'til I die!
Held in such high esteem, when people see me, they will scream
For half of Oz's favourite team. The Wizard and I!

(All parts) One short day in the Emerald City
One short day full of so much to do
Ev'ry way that you look in this city, there's something exquisite
You'll want to visit, before the day's through!
(Sop & Alto) There are buildings tall as quox-wood trees, dress salons and
libraries, palaces, museums, a hundred strong.
(Tenor) There are wonders I've never seen!
It's all grand and it's all green,
I think we've found the place where we belong!

(All parts) I wanna be in this hoi polloi
(Sop & Alto) So I'll be back for good someday
(Tenor) To make my life and make my way
(All) But for today we'll wander and enjoy!

(All parts) One short day in the Emerald City
One short day to have a lifetime of fun
One short day, and we're warning the city;
Now that we're in here, you'll know we've been here before we are done!

Sop & Alto
One short day in the Emerald City
One short day to have a lifetime of
fun!

*What a way to be seeing the city

Where so many roam to

Tenor
Who's the mage whose major
Itinerary is making all Oz merrier?
Who's the sage who sagely
Sailed in to save our posteriors
*What a way to be seen in the city

We'll call it home too.

(All parts) Sharing one wonderful, one short
The wizard will see you now!
Day!

(All parts) It well may be that we will never meet again in this lifetime
So let me say before we part
(Tenor) So much of me (so much of me)
Is made of what (All parts) I learned from you, you'll be with me
Like a handprint on my heart.
And now whatever way our stories end
I know you have rewritten mine by being my friend.

(All parts) Like a ship blown from its mooring by a wind off the sea,
Like a seed dropped by a skybird in a distant wood.
Who can say if I've been changed for the better?
I do believe I have been changed for the better.
(Sop & Alto) Because I knew you,
(Tenor) Because I knew you,
(All parts) Because I knew you, I have been changed for good.

(Sop & Alto) Something has changed within me.
(Tenor) Something is not the same.
(All parts) I'm through with playing by the rules of some-one else's game.
(All parts) Too late for (Tenor) second guessing.
(All parts) Too late to go (Sop & Alto) back to sleep.
(All parts) It's time to trust my instincts, close my eyes and leap.

It's time to try defying gravity.
I think I'll try defying gravity, and you can't pull me down.

(Sop & Alto) I'm through accepting limits,
(Tenor) 'Cause someone says they're so.
(All parts) Some things I cannot change, but 'til I try, I'll never know.
Too long I've (Tenor) been afraid of **losing love** (Sop & Alto) I guess I've lost.
(All parts) Well, if that's love, it comes at much too high a cost.

I'd sooner buy defying gravity.
Kiss me goodbye, I'm defying gravity, and you can't pull me down.

So if you care to find me, look to the western sky.
As some-one told me lately, ev'ryone deserves the chance to fly!

Sop & Alto

And if I'm flying solo,
at least I'm flying free.

(Sop)
To those who'd ground me, take a
message back **from me.**

Tenor

And if I fly,
At least I fly.

(Alto & Tenor)
Oh.....
...From me.

(All Parts) Tell them how I am defying gravity.
I'm flying high, defying gravity, and soon I'll match them in renown.

(Sop)
And nobody in all of Oz, no wizard
that there is or was,
Is ever gonna bring me down,
down!

(Alto & Tenor)
Ooo
Ooh
Is ever gonna bring me down!
No one mourns the wicked!
No one mourns

(All parts)
The wicked!
The wicked!
Wicked!
Wicked!
