

Ain't nobody

(Sop) Captured effortlessly
That's the way it was
Happened so naturally
I did not know it was love

(Alto) The next thing I felt was you
Holding me close
What was I gonna do?
I let myself go

And now we're flyin' through the stars
I hope this night will last forever

(Tenor) I've been waitin' for you
It's been so long
I knew just what I would do
When I heard your song

(Sop & Alto) Filled my heart with your bliss
Gave me freedom
You knew I could not resist
I needed someone

(All parts) And now we're flyin' through the stars
I hope this night lasts forever

Oh oh oh oh
Ain't nobody, loves me better
Makes me happy, makes me feel this way
Ain't nobody, loves me better than you

(Soprano) I wait for nighttime to come
And bring you to me
Can't believe I'm the one
I was so lonely

(Alto) I feel like no one could feel
I must be dreamin'
I want this dream to be real
I need this feelin'

(All parts) I make my wish upon a star
And hope this night will last forever

Oh oh oh oh
Ain't nobody, loves me better
Makes me happy, makes me feel this way
Ain't nobody, loves me better
Ain't nobody
Loves me better than you

(Soprano) Mmm...At first you put your arms around me

(Sop & Alto) Then you put your charms around me

I can't resist this sweet surrender

Oh my nights are warm and tender

(All parts) We stare into each other's eyes

And what we see is no surprise

Got a feeling most with treasure

And a love so deep we cannot measure

(Alto & Tenor) Ain't nobody, (nobody, that) loves me better
Makes me happy (can make me feel this way), makes me feel this way
(this way)

(All parts) Ain't nobody, loves me better

Ain't nobody, loves me better

Ain't nobody, loves me better

Ain't nobody, loves me better

Ain't nobody, loves me better *Fade out*
