

I've had the time of my life

(Tenor) Now i've had the time of my life
No I never felt like this before, yes I swear
It's the truth, and I owe it all to you

(Sop & Alto) Cause I've had the time of my life
And I owe it all to you...

(All parts) I've been waiting for so long now
I finally found someone to stand by me
We saw the writing on the wall as we felt this magical fantasy
Now with passion in our eyes there's no way we could disguise it secretly
So we take each other's hand cause we seem to understand the urgency

Just remember, you're the one thing, I can't get enough of
So I'll tell you something, this could be love
Because I've had the time of my life
No I never felt this way before, yes I swear
It's the truth, and I owe it all to you

(Sop & Alto) With my body and my soul I want you more than you'll ever know

(Tenor) So, we'll just let it go don't be afraid to lose control

(Sop and Alto) Yes, I know what's on your mind when you say
"Stay with me tonight" (Stay with me)

(All parts) Just remember, you're the one thing, I can't get enough of
So i'll tell you something, this could be love
Because I've had the time of my life
No I never felt this way before, yes I swear
It's the truth, and I owe it all to you
Cause I've had the time of my life
And I've searched through every open door
Till I've found the truth, and I owe it all to you

(Tenor) Now i've (I've) had the time of my life (oo)
No I never felt this way before (Never felt this way)
And I swear, it's the truth
(All parts) And I owe it all to you
I've, I've had the time of my life
No I never felt this way before, yes I swear
It's the truth, and I owe it all to you
Cause i've had the time of my life
And I've searched through every open door
Till I've found the truth, and I owe it all to you
