

SOMETHING INSIDE SO STRONG

(Sop & Alto) The higher you build your barriers
The taller I become
The further you take my rights away
The faster I will run
You can deny me, you can decide
To turn your face away
No matter 'cause there's

(All parts) Something inside so strong
I know that I can make it
Though you're doing me wrong, so wrong
Thought that my pride was gone, oh no
Something inside so strong
Oh, something inside so strong

(Solo) The more you refuse to hear my voice (ooh-wey ooh-wey
ooh-wey ooo)
The louder I will sing (sing sing si-ii-iing)
You hide behind walls of Jericho
Your lies will come tumbling

(Solo 2) Deny my place in time, you squander wealth that's mine (oo
oo)
My light will shine so brightly it will blind you (oo oo oo oo oo oo)
Because there's

(All parts) Something inside so strong
I know that I can make it
Though you're doing me wrong, so wrong
Thought that my pride was gone, oh no
There's something inside so strong
Oh, something inside so strong

(All parts) Brothers and sisters
When they insist we're just not good enough, not good enough, wo-oh
(Solo) Well we know better (well we know better)
Just look him in his eyes and say
(All parts) We're gonna do it anyway
We're gonna do it anyway

Something inside so strong
I know that I can make it
Though you're doing me wrong, so wrong
Thought that my pride was gone, oh no
Something inside so strong, oh
Something inside so strong

(All parts) Brothers and sisters
When they insist we're just not good enough, not good enough, wo-oh
(Solo) Well we know better (well we know better)
Just look him in his eyes and say
(Alto and Tenor) We're gonna do it anyway
We're gonna do it anyway (S: We're gonna do it anyway)
We're gonna do it anyway
(All parts) We're gonna do it anyway....

(All parts) Something inside so strong
I know that I can make it
Though you're doing me wrong, so wrong
Thought that my pride was gone, oh no

Something inside so strong, oh
Something inside so strong, oh
Something inside so strong, oh
Something inside so strong

So strong

So strong

So strong

So strong
